## SUMMARY

Software Engineer with 3+ years of experience building production-grade web applications, specializing in machine learning, deep learning, and data analytics. Proven track record shipping features to 52M+ users at JPMorgan Chase and collaborating across cross-functional teams to streamline data processes. Currently pursuing a B.S. in Human-Centered AI at Texas Tech.

## TECHNICAL SKILLS

**Languages:** TypeScript · JavaScript · Python · Swift · Java · SQL · HTML/CSS · Bash

**Frameworks & Libraries:** React · Node.js · TensorFlow · PyTorch · Pandas · NumPy

**AI / ML:** CNNs · Transformers · Reinforcement Learning · MLOps · LLM Evaluation · Prompt Engineering

**Data:** Data Analytics · Data Pipeline Optimization · SQL Server · REST APIs

**MLOps & Deployment:** MLflow · Weights & Biases · ONNX · FastAPI · Model Monitoring

**Cloud & Tools:** AWS · Git/GitHub · Docker · Agile/Scrum · CI/CD

## EXPERIENCE

**Software Engineer** · Jan 2023 — Present

JPMorgan Chase · Plano, TX · Card Benefits Team

- ▶ Played a pivotal role in developing the Benefits & Rewards List Page for Chase credit card web users, contributing to a seamless digital experience for 52M+ active cardholders at the leading U.S. credit card issuer
- ▶ Developed dynamic, responsive UI components and reusable modular architecture to ensure code consistency, efficiency, and faster load times
- ▶ Collaborated cross-functionally with design, product, and back-end teams to align technical solutions with business goals, delivering features on schedule within Agile sprints
- ▶ Conducted thorough code reviews and testing to uphold high-quality standards, and drove continuous iteration based on customer feedback to improve satisfaction
- ▶ Explored ML-based approaches to improve recommendation logic for chase credit card benefits & rewards page
- ▶ Leveraged deep learning and data analytics to surface insights that informed product decisions and improved the end-to-end customer experience

## EDUCATION

**B.S. Human-Centered AI** · 2025—2026

Texas Tech University · AI systems design, ethics, and human-computer interaction

**A.S. Computer Information Technology** · 2022 — 2024

Austin Community College · Application Development, Coding & Design Specialization

## CERTIFICATIONS

**AWS Certified Cloud Practitioner** · 2023—2026

Amazon Web Services

**Front End Engineer Certificate** · 2022

Tech Academy

## LANGUAGES

**English** (Native) · **Amharic** (Fluent)
